

PASSENGER RIGHTS

Dear Passengers,

In accordance with the Regulation on Air Passenger Rights of the Directorate General of Civil Aviation, you can benefit from the rights prescribed in relation to the compensation and service system of Turkish Airlines Inc. in case of denied boarding and flight cancellation, and in case of delay of a flight for minimum one hour you can benefit from the service rights specified in the regulation according to the time of delay.

Within the scope of the Regulation on Air Passenger Rights, our personnel shall give our passengers with reduced mobility and our unaccompanied minor passengers the special services they will need.

We would like to remind that our company shall not be held if our passengers do not give their contact information or give wrong contact information during the reservation process or when requested by our company later.

On all AnadoluJet flights, our passengers who have confirmed reservations and tickets may benefit from the following services in case of flight irregularities, provided that they have applied to the check-in no later than 60 minutes before the departure time in case of international flights, or 45 minutes in case of domestic flights.

The passengers denied boarding due to reasons such as health, safety, security and nonconforming travel documents are excluded from the service scope.

No compensation is paid for the flight irregularities caused by the extraordinary situations (the situations such as meteorological conditions, natural disasters, security risks, unexpected flight safety deficiencies, strike, political instability).

You can send us your feedbacks by filling out the "Feedback Form" available on the "Customer Contact Center" menu under the "CORPORATE" section on our website www.anadolujet.com, or through the following address, phone, or fax.

COMPENSATION PAYMENTS

In accordance with the Regulation on Air Passenger Rights, in case of the cancellation of a flight due to reasons other than extraordinary situations, denied boarding due to overbooking or emergence of the following conditions; passengers are entitled to compensation:

- If s/he is not notified of the cancellation at least two weeks before the scheduled departure time,
- Unless s/he is notified of the cancellation two weeks to seven days before the scheduled departure time, or s/he is offered a route change that enables her/him to depart maximum two hours before the scheduled departure time and arrive their destination maximum four hours after the scheduled arrival time,
- Unless s/he is notified of the cancellation shorter than seven days before the scheduled departure time, or s/he is offered a route change that enables her/him to departure maximum one hour before the scheduled departure time and arrive their destination maximum two hours after the scheduled arrival time.

AnadoluJet responds to passenger requests for compensation, in line with national and international civil aviation regulations, and an evaluation that includes its products and services.

In case of denied boarding or cancellation, the distance calculation shall be based on the scheduled final destination.

If the passengers are offered a route change to their destination on an alternative flight that does not exceed the scheduled arrival time of the reserved flight more than two hours for 1,500 kilometers (1,500 km included) or shorter flights, three hours for flights between 1,500 and 3,500 kilometers (3,500 km included), four hours for flights longer than 3,500 kilometers, the compensation amounts are decreased by 50%.

The compensation payments apply to the passengers who travel on award tickets (the tickets issued in consideration of air miles) as well.

In case of award tickets, a compensation of 3,000 miles for flights between 0-1500 km, 5,000 miles for flights between 1500-3500 km, and 10,000 miles for flights over 3,500 km is paid.

No compensation is paid for the flight irregularities caused by the extraordinary situations (the situations such as meteorological conditions, natural disasters, security risks, unexpected flight safety deficiencies, strike, political instability).

While calculating the Turkish Lira equivalent of the compensations to be paid, the foreign exchange selling rate of the Turkish Central Bank at the purchasing date of the ticket, i.e. the date when the payment for the ticket was made, is taken as basis.
